

CITY OF PHOENIX FIRE CODE

PREFACE

The *City of Phoenix Fire Code* is adopted by reference in Chapter 15 of the *Phoenix City Code*. The *Phoenix Fire Code* was adopted by the Phoenix City Council on June 20, 2007, and is effective August 1, 2007.

The amendments to the *Phoenix Fire Code* are developed and maintained through the efforts of the Fire Prevention Division in conjunction with the Fire Safety Advisory Board.

Ordinance No. G-4919

Ordinance No. G-4919 amends Chapter 15 of the Code of the City of Phoenix by adopting a new City of Phoenix Fire Code based on the 2006 *International Fire Code* with City of Phoenix Amendments.
