## **EDITORIAL CHANGES – SECOND PRINTING**

Page 19, 301.4: Exception, line 1 now reads . . . Listing and labeling of appliances used for

Page 23, Table 403.3: column 1, row 3, Smoking lounges now reads . . . Smoking lounges<sup>b,g</sup>

Page 33, 501.2.1: item 4, line 3 now reads . . . for dust, stock and conveying systems, see Section

Page 42, 506.3.3.1: the section is renumbered 506.3.2.5 and relocated following Section 506.3.2.4.

Page 42, 506.3.3: second paragraph is deleted.

Page 56, 602.2.1.5.2: third line now reads . . . dance with Section 2603.9 of the *International Build*

Page 57, 603.6: last line now reads . . . Sections 603.6.2 through 603.6.4.

Page 61, 607.5.2: line 6 now reads . . . 1020.1.2 and 1021.5, respectively, of the *International*

Page 62, 607.6.1: line 9 now reads . . . openings, see Exception 7 to Section 707.2 of the *Interna-*

Page 63, 607.6.2.1: item 2, line 2 now reads . . . accordance with Section 712.4.1.2 of the *Interna-*
